# DREAMS, 'REALITIES', AND ACTIONS

Joachim Monkelbaan

# Governance for the Sustainable Development Goals

Exploring an Integrative Framework of  
Theories, Tools, and Competencies

## WE HAVE A FEW DREAMS

Agenda 2030: SDGs, Paris Climate Agreement

Circular economy

Doughnut economics

Inclusive green economy

Green new deals

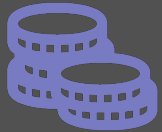

“HOW DARE YOU?!”

# ECONOMIC, SOCIAL, AND ENVIRONMENTAL REALITIES

Capitalism questioned

Poverty alleviation

Limits to growth,  
increasing emissions

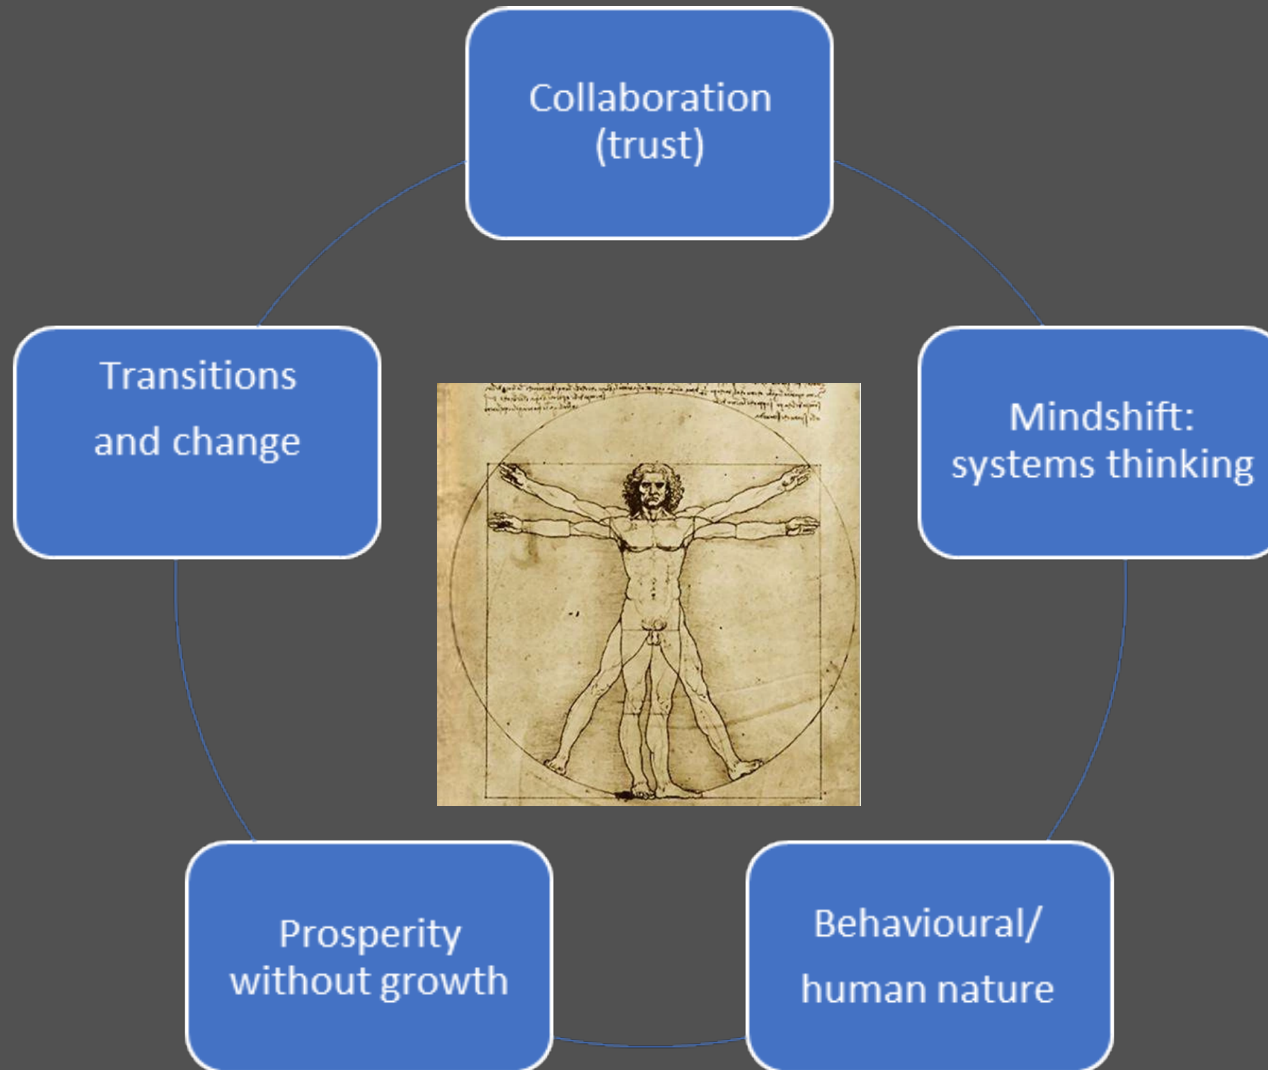

Democratic limits to  
green growth (have  
cake and eat it)

Need global solutions  
for global problems

# DREAM BIG(GER) ABOUT HOW TO IMPLEMENT SDGS AND THEIR FOLLOW-UPS!

Thank you!
