European Development Network is proud to announce its newest program, the 'Now Sprint! Accelerator Program'!

EDN has initiated a partnership with Stage-Co for the Now Sprint! program. The program is designed to provide for startups of all stages. Now Sprint! aims to create **sustainable positive impact** within the scope of SDGs. European Development Network Members will have a unique chance to participate in this program!

More information can be found on; [EDN - Now Sprint](#)

NEW PROJECTS

The Network continue to create value for its members. More project ideas by the day! Most recently, EDN have applied for the European Youth Together call.

NEW PLANS

EDN is finishing the planning of an Online Gathering for Members at the beginning of September. Also, Members will receive more partnership offers for the new calls soon. Stay tuned!

- HiGi
- Tepebaşı Municipality

Erasmus+

Enriching lives, opening minds.

**THE ERASMUS+ PROGRAM'S BUDGET FOR 2021-2027
WILL BE 21.208 MILLION EUROS!**

Building on the existing Erasmus+, the new program will provide learning and mobility opportunities for pupils, apprentices, young people, students, and teachers. It will have a strong focus on the inclusion of people with fewer opportunities and will strengthen transnational cooperation opportunities for universities, vocational education, and training institutions. Erasmus+ will continue to support cooperation in the field of sport. The financial envelope for the implementation of the Erasmus+ program for the period 2021-2027 will be EUR 21.208 million.

EDN AND MEMBERS IN 2020 - SO FAR!

Erasmus+ - KA2 Project
VR 4 INCLUSION

Erasmus+ - KA2 Project
DESIGN FACTORY

Erasmus+ - KA2 Project
PEACECRAFT 2.0

- Within the [VR 4 Inclusion!](#) project, coordinated by our Member Bahçeşehir University, number of games to help and facilitate paraplegic youth's daily activities were developed. These games are available on [Google Play Store](#).
- [PeaceCraft 2.0](#), a project coordinated by our Member iDrops and partnered by 2 of our members ODNOS and KIO, had its kick-off meeting in İstanbul in March 2020.
- Design Factory, a project coordinated by our Member Originn Coworking, has had its first activity in the Covid-19 era. Due to Covid-19 precautions, the activity was held with half-capacity attendance. Half of the participants have participated online while the other half attended physically.
- EDN has applied for 2 projects under the European Youth Together call. These projects were under the topic of Youth Employment and Climate Action.
